Good Morning Lorena -

Good to see you and Andy last night at the mural unveiling on the Warner Grand.  
Thought the design was wonderfully whimsical and will be a great addition to San Pedro's murals.

We talked about using the gas powered trolley to conduct a tour of our proposed California Cultural District on Friday, June 2<sup>nd</sup>.  
Could the trolley pick us up at the Grand Annex at 10:30am? The tour should be about an hour and visit the cultural assets included on the attached map.

Thank you for considering this request and please let me know if this is OK with you?
